OAKLAND YOUTH STRICKEN BY FATAL HEART ATTACK WHILE SWIMMING IN CREEK

George Walker, 22, Second to Drown in Canyon in Two Weeks.

Suddenly stricken by a heart attack, George Walker, 22, of 3212 East Twenty-third street, Oakland, was drowned Saturday afternoon while swimming across a deep pool in a creek near Sunol dam in Niles canyon, despite the efforts of a group of Oakland Boy Scouts to save his life.

As Walker sank from sight, more than a dozen Boy Scouts, members of Oakland Troop No. 5, leaped into the water and swam to where Walker disappeared. W. H. Bayne, of 4342 Leach street, Oakland, manager of an Oakland meat company where Walker was employed, and who was with him at the time, also dove into the pool fully clothed to help in the rescue. The boys and Bayne hauled Walker ashore and commenced administering first aid.

Dr. E. C. Grau, of Niles, was telephoned for, and immediately rushed to the scene, together with Fire Chief William Graham, of Pleasanton, and Fire Chief Fred Rogers, of Centerville, with pulmotors, but Walker was beyond all aid. His body was taken in charge by deputy coroners at Pleasanton.

Walker is survived by his mother, Mrs. Dora Walker; a sister, Miss Daisy Walker, and another sister, Mrs. Pauline Becktell, 528 Flood avenue, San Francisco.

EXCEEDING LOW LEVEL IN CHERRY PRICE IS REACHED

Severe Rains Damage Crops; Royal Annes Sell for Four Cents

The heavy unseasonal rains on Sunday apparently sang the swan song to the hopes of farmers in Washington Township who were still hoping against fate that the price of cherries would, by some miracle of chance, take an upward trend in the near future, instead of remaining at the present exceedingly low level.

According to several large cherry growers in this district the heavy rains completely ruined the remainder of the season's crop, a crop that in their opinion, is considerably smaller than the output of last year.

Prices for cherries this year are causing a great deal of lamentation on the part of the growers, many of whom maintain that it is cheaper to leave the fruit on the trees than to hire labor to pick and market the crop at such low prices. The canners league prices this year for Royal Annes is only 4 cents a pound, as compared to 7, 8 and even 9 cents paid last year. Black cherries are being bought at even lower prices than four cents, some dealers only paying 3 cents a pound, while in one or two instances it has been reported that sales have been consummated at the record low of two cents. According to advices of growers in this vicinity, prices this year are the lowest ever known to them.

The blacks are a market cherry, the majority of which are shipped back east by the growers in this territory, and in a few cases the farmers have received a slightly higher price than four cents, but these growers have been considered very fortunate by the majority.

PARK PROJECT IS RECEIVING FAVOR IN ALL QUARTERS

Scenic Approach Into Niles Rapidly Approaching Completion.

Many extremely favorable comments have been heard lately on the decided improvements that are now taking place along the strip of old pavement and unused land between the highway and the railroad right-of-way just north of Niles, which is in the midst of being converted into a park and scenic approach into town.

MANY ATTEND SENIOR CLASS PRESENTATION OF "SKIDDING" FRIDAY

Play Admirably Enacted by Exceedingly Well Chosen Cast.

Amid the plaudits of a large and enthusiastic audience, the senior class of Washington Union High school terminated many weeks of strenuous rehearsal and study with the successful presentation of their class play, "Skidding," last Friday evening in the school auditorium.

The presentation was a three-act comedy, written by Aurana Rouverol, and was admirably enacted by the very talented cast, headed by versatile Aileen Steinhoff as Marion Hardy and George Coley as Wayne Trenton III, in the leading roles. The coaching and training of the cast reflected in every way the admirable work done by Miss Aubrey Nicely, who directed.

Special mention should be made of the splendid characterization of the part of Andy, played by Clarence Lucas, whose portrayal of a typical high school boy was exceedingly well enacted. Ed Bimemiller, recent winner of first place honors in the State Shakespearian contest, played the difficult part of Grandpa Hardy perfectly, and the role of Mrs. Hardy, mother of a family turbulent with love affairs and marriage difficulties, was played flawlessly by Sophie Swanson. The balance of the cast played their parts very well, and proved that the players had been chosen very carefully.

The high school orchestra, under the leadership of J. E. Kimber, rendered several very fine selections preceding the presentation, and between each act.

The hard-working efforts of the production staff were reflected in the particular care taken of each

GRAMMAR SCHOOL TO HOLD BAND CONTEST

Orchestras in the various grammar schools throughout Washington township are busily engaged in preparing and practicing for the annual contest, to be held this year in the auditorium of Washington Union high school on Friday, May 29, at eight o'clock.

The grammar schools are divided into two classes for the contest, the first group of schools containing, Alvarado, Irvington, Newark, Niles, while the second group consists of Mission San Jose, Warm Springs and Alvarado. Irvington obtained the cup in the first division last year, while Alviso won the trophy in the second division.

Following the contest, which is to be judged by three competent people, yet to be selected, the entire assembly of young musicians will present a massed ensemble program of music, and it is anticipated that the entire band containing the musicians from every school, will number close to 150. The Niles school alone contains thirty-two pieces.

HEAVY RAINFALL CAUSES HARM TO AGRICULTURISTS

Unseasonal Rains on Sunday Are Heaviest Recorded in Years.

Beneath clearing but still threatening skies, agriculturists in Washington Township and vicinity surveyed Monday the havoc wrought among their crops by the unseasonal ferocity of the week-end storms.

From all parts of the township came reports of serious harm to field and orchard products, and while an accurate list of the damage will be impossible for several more days, it is a general concensus of opinion that it will reach alarming proportions.

The rainfall on Sunday in Niles was the heaviest recorded in twenty-four hours for several years, and came as a decided surprise to the majority of people, who had expected a clear weekend following the perfect weather of the previous week.

Traffic to and from Niles was badly congested when almost two feet of water gathered under the subway at the north end of town. Several automobiles attempting to get through became stalled, and it was necessary to post a man at each end of the subway to divert traffic. Several minor skidding accidents were reported throughout the township, but no fatalities or serious injuries resulted. Broken glass scattered along the main highways at monotonous intervals testified to the lack of proper caution while driving, or to poor condition of tires.

The flow of water down Alameda creek was considerably augmented by the heavy rainfall, and the water supply greatly enhanced.

Resort owners in the canyon were probably disappointed at the loss of their customary Sunday business from picnickers, but just think of the joy obtained by members of the fair sex who had the foresight to place a bucket under the overflow from the roof, thereby obtaining nice soft rainwater in which to wash their hair! Some good does come out of all evil!

NEW OFFICERS ARE CHOSEN RECENTLY BY WELFARE CLUB

Welfare Club No. 1 held an interesting and delightful meeting in the lovely gardens of Mrs. E. A. Ellsworth, in Niles, on May 18th.

The business meeting consisted chiefly of officers' reports and the election of new officers. Mrs. Etta Chadbourne was chosen to succeed Mrs. W. L. McWhirter as chairman. Mrs. Oscar Walpert was elected treasurer to fill the position vacated by Mrs. F. T. Dusterberry, and Mrs. Lannes Sharman and Mrs. Henri Salz were re-elected to their respective offices of vice-president and secretary.

A vote of commendation for their excellent work was given the outgoing officers, both of whom have served in some capacity since the organization of the club. Credit is also due Mrs. Dusterberry for the organization of the club and to the successful start it received through her splendid initiative.

Mrs. Gladys Williamson, of Niles, entertained Lieut. and Mrs. E. B. Thompson and son, for several days this week. Lieutenant Thompson had been stationed at Hawaii for the past three years, but was recently transferred to Virginia.

HERO OF RESCUE ATTEMPT FACES THEFT CHARGES

Wilber Miller, 19, of 3029 Thirty-fourth avenue, Oakland, was arrested last week by Oakland police oficers on a warrant issued out of Los Angeles, charging him with grand theft.

Miller will be remembered as the young man who made heroic efforts to save Miss Carmelita Moreriea, 18, of 1322 East Fifteenth street, Oakland, who was drowned in Niles Canyon on Sunday afternoon, May 17. Miller dove four times in attempts to bring Miss Moreriea to the surface, finally succeeding. She died in the Highland hospital two hours later.

EDITORIAL COMMENT

ROCHE TURNS THE TRICK

THE POWERFUL and wealthy citizen involved, and later convicted, in the Oakland paving scandal, has been turned loose by the parole board, after serving ten months of a two-year sentence. Fellow conspirators, six in number, are still in jail. That's where they belong. But how about Lesser, and why was he singled out for special favor, while the rest of the gang of bribers and bribe-takers pace back and forth in their cells counting the days when they will have served the full time of their commitment to San Quentin?

Theodore Roche, attorney, represented the rich Lesser before the parole board. Now the name Roche seems familiar to us—has a sort of political ring, but just what significance this name carries we will leave to our readers to surmise, for the connection has just now slipped our mind. Anyway, Roche, good attorney that he is, turned the trick. Maybe Roche presented a powerful argument to the effect that Lesser was entitled to his freedom, because he was only convicted on three counts of bribery. He might have been convicted on four. As it was, most of the property holders in the Columbia Park district, Oakland, lost their homes because they could not pay the paving assessment, burdensome because graft levied by Lesser had raised it to a prohibitive figure. You see, if Lesser had gone a little further in his operations, all the property holders would have been cleaned out. And that would have been worse.

Doubtless the parole board took these things into consideration—his moderation, you know—and Mr. Roche's connection—and turned the briber out.

Well, what else could you expect!
Big Hutch!
Paul Kelly!
Dorothy McKay!
Lesser!
And the stench reaches to heaven.

THE RED HEADED EDITOR

THE WRITER has been called a bald-headed editor, and bone-headed editor, but it remained for D. E. W., writing in the Hayward Review, to call us a red-headed editor. But as long as he has prefixed the red-headed with the adjective "distinguished" we draw no fine distinction on color.

Commenting upon our editorial on the Nevada divorce evil the Hayward columnist has paid the editor of this paper a singular tribute, while disagreeing slightly with our radical cure for a recognized evil.

Our friend overlooks the waywardness of the Nevadians because of their bleak habitation, and the urgent necessity of raising money to run a

CYCLIST INJURED CRITICALLY WHEN SCHOOL BUS HIT

T. O. Davis Dies as Result of Accident on Monday.

T. O. Davis, of Palo Alto, suffered fatal injuries on Monday afternoon at 4:10 o'clock when he crashed into the rear of the Amador High School bus at the intersection of Road Two Thousand and the Foothill road.

Davis was riding a motorcycle behind the school bus when the rear tire is said to have blownout, causing the cycle to swerve into the bus. Davis was thrown into the rear of the car by the force of the collision, his face striking a metal ridge around the body of the bus. The metal projection practically servered Davis' nose, laying the entire upper part of the face open and fracturing the skull. There also was a compound fracture of the leg.

The school bus was in charge of Henry Lanini. The only passenger was Jane Robb, who witnessed the accident. She said that the cyclist was not travelling exceptionally fast.

Davis had been visiting at the home of Mrs. Charlotte Anderson. Mrs. Anderson is a breeder of fancy horses, and Davis' father is a horse trainer.

The injured man was taken to a Livermore hospital by Lanini and Police Chief Wm. T. Davis. He was later taken to Highland hospital where he died of the injuries.

Liquor Raid Nets Pleasanton Offender On Friday Fvening

Louis Glasser Pleads Guilty To Possession and Pays $300 Fine

Louis Glasser was assessed a fine of $300 in the Pleasanton town court by Judge Chas. A. Gale, when a plea of guilty was entered to a charge of possession.

The Glasser residence on Rose avenue was raided by officers of the sheriff's office Friday evening and a large quantity of wines, beer and hard liquors were found.

The raid was conducted by Constable Albert E. Vervais and Deputy Sheriff Hugo Radbruch, of Pleasanton; and Deputy Sheriff L. E. Van Patten and Constable Mark Garbini, of Livermore.

This was the second offense recorded in the town court during the past year against Glasser. His restaurant, the Colombo Grill, was padlocked recently because of violations of the liquor laws.

GARDEN OF ALLAH DANCE TO FEATURE CONTINUOUS MUSIC

Continuous dancing throughout the evening will be in vogue at the Garden of Allah next Saturday evening, May 30, according to A. A. Brady, who manages the dances at this popular hall, when two well-known dance orchestras, Rendon's musical entertainers and Boy Fields aggregation of musical syncopators, will provide dance music without a stop throughout the whole evening. "They put wings on your feet," is a slogan very applicable to these two orchestras, and according to Mr. Brady, those attending the dance Saturday will almost have to have wings on their feet if they intend to dance every dance, as the majority of habitues at the Garden of Allah usually do.

The Saturday night dances at the Garden of Allah have been attracting some very good crowds during the past few months, last Saturday evening being no exception. Laura Loma Parlor No. 182, Native Daughters of the Golden West, Niles, sponsored their annual ball on this occasion, and a very successful evening was pronounced by all in attendance.

Niles body from the Hayward Chamber of Commerce, and also issued a cordial invitation for the Niles members to attend the Hayward meeting at any time. He went on with his talk on present day business conditions by bringing out the fact that more than thirty billion dollars in invested capital had been lost during the past two years. However, Mr. Collins maintained that the United States were as fundamentally sound as ever, and that the present deplorable condition would soon pass over.

Mr. Collins was accompanied to Niles by Paul Romberger, also of Hayward

President F. V. Jones urged the members present to support the whist party sponsored Tuesday evening by the Niles troop of Boy Scouts, and as a result of his plea, the scouts received quite a boost in the sale of tickets, proceeds of which were devoted to the payment due on their building.

J. A. Kirk was program chairman for the meeting, and secretary Petsche volunteered to bring the members out next Tuesday.

WEDDING OF HIGH SCHOOL TEACHER IS COMING EVENT

Miss Lesda Sayles to Wed Franklin A. Brown On June 27

One of the loveliest nuptial services of the season will be that on June 27 when Miss Lesda E. Sayles will become the bride of Mr. Franklin A. Brown at an evening service to be read in the Stanford Chapel in Palo Alto.

The bride-elect is the daughter of Mr. and Mrs. Frank Sayles, of Newark, and graduated from Washington Union High School in 1922. She later attended Stanford University, graduating with the class of '26, and received her Masters of Arts degree from that institution in 1927. For the past several years she has been teaching at Washington Union High school.

Mr. Brown is the son of Mrs. Josephine A. Brown and the late Mr. S. Brown, of Newark. He attended Stanford University and Oregon State College, graduating from the latter institution. He is a member of Alpha Gamma Rho fraternity. He was a member of the graduating class of '19 of Washington Union High school.

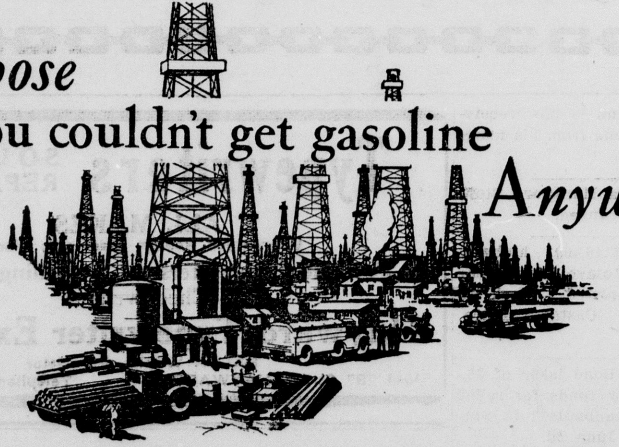
Announcement of the young couple's engagement was made last summer at a dinner given in their honor by Professor and Mrs. W. H. Sloan, of Stanford University.

Miss Myrtle A. Sayles, sister of the bride-elect will act as maid of honor, and the bridesmaids will be Miss Mildred Sayles, Miss Florence L. Aust, Mrs. C. H. Mikkelson (nee Elsa Anderson,) of Stockton, and Miss Beatrice V. Taylor, of Berkeley.

Mr. and Mrs. Ira B. Hodgkins, of Centerville, plan to leave soon on a motor tour to Santa Ana.

★ BUILDERS OF CALIFORNIA

Suppose you couldn't get gasoline Anywhere



IMAGINE: Every motor vehicle in California *stopped dead* for want of fuel.

It would not happen, of course. But it does illustrate how *everyone* depends on gasoline. California motorists, in 1930, used *one billion, three hundred million* gallons.

In production, refining and distribution, the petroleum industry employs an estimated 300,000 people throughout the state. Such widespread operations enable the major oil companies to make extensive use of the statewide service of this Bank.

With 200 separate Bank of America accounts in 147 communities, these companies collect thousands of small checks quickly; transfer funds with minimum delay and expense; obtain accurate reports and appraisals from widely-separated localities; simplify their accounting and effect other economies which mean improved service to motorists.

The Bank also serves approximately 75,000 *individual* depositors in the industry—any one of whom may be suddenly transferred to another territory. In this event, the Bank will promptly forward funds — and even valuables in safe deposit — to any branch; and with a letter of introduction, the customer quickly feels at home.

Bank of America is organized to give complete, convenient service to any business man — to any family — to *you*.

Faculty of Washington High School Plan Vacation Trips

The lure of summer vacation has commenced its calling among the faculty of Washington Union high school, and the majority of teachers have already prepared plans for their trips to be taken, some contemplating travel to foreign countries, some journeying to various parts of the United States, while others will spend the major part of their vacation in summer schools. Here are a few of the vacations planned by the W. U. H. S. faculty:

Miss E. M. Sandholt and Miss G. I. Knoles are going to New York. Miss Sandholt plans to make many stops enroute, and to return via the Panama canal.

Miss A. J. Roberts has planned to visit relatives in the state of Washington.

Miss L. M. Wright will spend her vacation in Pescadero, near La Honda, among the California redwoods.

Coach Jess Regli will spend part of his vacation in summer school at either Stanford or California, afterwards going deer-hunting at Healdsburg.

Miss I. Liston is going to Nevada City to the summer Oakland Camp Fire Girls' camp. She also plans to play plenty of golf at Sacramento.

Miss B. V. Taylor is going to Santa Maria to visit a former faculty member of W. U. H. S. She also plans to spend part of her time in the Sierra Nevadas and in Berkeley.

Mrs. J. P. Norris is going to Alaska for her vacation, and some of her time will be spent at school in Corvallis, Oregon.

Miss A. Nicely will attend the University of California, and also contemplates a stay in Los Angeles.

Mrs. G. C. Jackson will attend summer school at Corvallis, Oregon.

Messrs. W. E. Gravestock and V. E. Solvason are to attend Stanford University.

Mrs. E. M. Wright contemplates attending some summer school.

W. D. Mette will attend summer school at San Jose State Normal, and expects to spend some of his time on a fishing trip.

Miss Florence Aust will make a trip to the Hawaiian Islands, visiting with friends in Honolulu.

Many teachers are as yet undecided as to where they will spend the vacation time, including Messrs. B. L. Webb, J. V. Goold, H. M. Kibby, J. B. Hill, J. E. Kimber and R. M. Moore.

CHAMPION TRACK AND BALL STARS RECEIVE AWARDS

Letters and Stars Given Cornhusker Athletes by Coach Regli.

At an assembly held at Washington Union high school Friday morning, Coach Jess Regli awarded letters to members of the baseball squad, who recently wound up a most successful season by capturing the North Coast championship. Following are members of the squad who received the awards: T. Kitashima, E. Garcia, E. Lebon, W. Fontes, Roy Gularte, H. Faria, M. Amaral (stars to letters already received in past seasons); F. Mattos, H. Sekigahama, M. Ikeda, G. Madeiros, J. Coley, A. Knobles, H. Nakagawara, and J. Wilson (letters).

From the number of lettermen who are returning to school next year, it would appear that prospects for another championship ball team at Washington High appear very bright, as only three members of this year's team will be lost next season, Amaral, Mattos and Lebon being the three who will graduate next month.

Track Awards Made.

The following members of the 1930 championship track team also received letters: B. Dick, J. Avilla, N. Nakagawara, F. Mattos, L. Telles (stars to letters previously won); T. Logan, J. Geib, R. Gularte, V. Salvadorini, C. George, G. Geib, L. Pine and A. Vasconcelles (letters).

Avilla, Mattos, J. Geib, Telles, George and Pine will be lost to the squad by graduation on June 10, but Coach Regli has a fine crop of youngsters who are rapidly rounding into shape, and who will be ready for first-class competition by the time next track season rolls around.

DELEGATES FROM CENTERVILLE AT K. C. CONVENTION

Judge Allen G. Norris, George A. Coit and M. Lewis, are officially representing Centerville Lodge No. 2692, Knights of Columbus at the twenty-third annual convention now being held at Monterey. The delegates left Centerville on Sunday morning, and are expected to return on Wednesday evening.

George A. Asborne, senior inspector of schools, Education department, Melbourne, Victoria, Australia, was a visitor at Washington Union High school on Monday.

Washington High Commencement Exercises to Be Held June 10

Many activities are scheduled for the last week of the present school term at Washington Union high school, which will close for the summer vacation on Friday, June 12, with commencement exercises being held on Wednesday evening, June 10. The Senior ball is scheduled to be held on Saturday evening, June 13.

Sixty-three students will form the summer graduating class of '31, the class being composed of thirty girls and thirty-three boys, who will receive their diplomas at exercises to be held in the new high school gymnasium. Professor Walter C. Eells, assistant professor of education at Stanford University, has been secured to give the address at commencement exercises.

School will re-open for the fall semester on either August 24 or 31, and will be under the direction of a new principal, Albert J. Rathbone, who will take the place of E. B. Hodges, whose resignation was regretfully accepted by the high school board at a recent meeting.

Two grammar schools, Irvington and Centerville, are to hold their commencement exercises in the Washington High school auditorium. Irvington will graduate their class on June 9, and Centerville on June 12.

Washington High School Alumni to Gather Friday

Alumni and former students of Washington Union High school are again reminded of the reunion gathering to be held in the school gymnasium on Friday evening at eight o'clock.

A business meeting will open the evening, to be followed by dancing and card playing. Guests may be invited, and all attending are assured of a good time.

Rev. Attwood Attends Episcopal Convocation

Reverend and Mrs. William Attwood will spend several days in Oakland this week, attending the Episcopal Convocation. They also plan to attend a reception to be held in honor of Reverend Alex Allen, who has been in charge of St. Paul's Church for the past twenty-five years, and fifty years since his ordination.

Mrs. Marie Bishop tendered a re-union luncheon to Alameda friends on Thursday.

CONSTRUCT NEW TENNIS COURTS AT HIGH SCHOOL

Students at Washington Union high school will soon be able to avail themselves of the pleasure of playing tennis on 4 brand new full sized cement tennis courts, in place of the two dirt courts that they have previously been using. Jones & King, contractors, commenced work on the new courts late last week, and it is anticipated that they will be ready for playing in about three weeks time.

Sweet Sixteen Club Has Enjoyable Meet May 21

The "Sweet Sixteen" Club met at the home of Mrs. William Bell on Friday, when Miss Mamie Norris won first prize honors in the bridge games played. Miss B. Dusterberry, Miss M. Fair and Mrs. M. Fitzgerald were also awarded prizes. The club will be entertained this afternoon at the home of Mrs. Fitzgerald.

The St. James Men's Club will celebrate the tenth anniversary of its founding on June 4, with an entertainment.

Business Trend Keeps Pace With Resident Growth

Unrefutable Evidence Is Offered in Matter of More Citizens

CITY RECORDS CHECKED

Pleasanton Water Services Largest In History of Town.

BY LLOYD H. RHODES

Direct and unrefutable evidence that Pleasanton is growing was [illegible] week when the water bills of the town were made out.

Further evidence was put forth by real estate men who stated that there is a shortage of houses in town, and that it is possible that Pleasanton will lose several summer families who have made practice of coming to Pleasanton each summer.

Population Now 1,353

Using the number of water services in town as shown by the total of water bills made out, it is certain that there are now re[illegible] in Pleasanton at least 1,353 persons. This is a conservative estimate.

There was a total of 481 water services listed for the current month. Figuring that there are only three persons for each service the figure above is arrived at, but on the other hand, it is commonly known that the average for the entire United States is four persons to a family. If this basis was used in estimating, the total in the city of Pleasanton would exceed 1,600.

Growth Is Natural

The last census in Pleasanton showed the official count to be 1,270. Taking either of the above mentioned figures the increase during the past year has been remarkable in a way.

On the other hand, it is not so remarkable. Everyone who resides in the Amador valley would not think of living elsewhere and as the added advertising the community has had through the formation of the Lions club, which organization is doing much of the work that a chamber of commerce should in addition to its own activities, the growth can be expected to continue.

Danger Is Told

As to the matter of the house shortage, it is being taken care of slowly, but surely. There have been an unusually large number of private dwellings erected in Pleasanton this year. Added to that are two new apartment houses, one completed and the other rapidly nearing completion.

There is just one danger to be watched, according to one real estate man, and that is the amount of rents being asked by some for their houses. Because there is a shortage, some landlords are attempting to raise rents to equal city rentals.

Depression Past Here

All in all it appears that Pleasanton will weather the last few months of the current depression without any great difficulty. The future appears much brighter as the first half of 1931 rapidly draws to a close, than it did a few months ago. If everyone continues to maintain the spirit that the depression is over, Pleasanon will soon be leading the entire county in the return to prosperity.

cently announced its intentions of co-operating with George Roeding, of the California Nursery company, in assisting to defray the cost of planting and laying out the grounds with ornamental shrubs and plants in the amount of $1000, that have been donated by Mr. Roeding.

It is planned to level the plot of ground down to the road level, and to plant the entire park with lawn, money for which work will be obtainable in the next appropriation, available early in the next fiscal year. It is also planned to install a sprinkler system at that time. The ground will be treated with loam previous to the planting of the lawn, and when completed, the park will be one of the prettiest spots in Alafeda county, and one that Niles will be proud of.

The first steps in the promulgation of the park were taken by Mr. Roeding, and it is through his whole-hearted efforts that the matter has reached the present stage.

Grammar School Will Open Half Hour Earlier For Duration Of Term

Hot Weather Is Given as Reason—Begin at 8:30 on Monday

It may not be nice to get up in the morning, but, oh, how much fun it is to play in the afternoon with no school to keep one cooped up.

That is what the kiddies of the Pleasanton Grammar School are saying these days following the announcement that school will take up a half hour earlier in the mornings and be dismissed that much sooner in the afternoons.

School will start at 8:30 a. m. beginning Monday morning and will continue throughout the remainder of the term, V. Bernard Johnson, principal, stated.

This action was taken because of the heat which is holding Pleasanton in its grip. The students are unable to do their work properly in the heat of the afternoon and their work has been found to be far below par during the afternoons.

Mothers have been advised of the change and have been asked to assist the school authorities in starting school a half hour earlier on next Monday. It is hoped that there will not be any cases of tardiness because of the time change.

FIRES IN TOWNSHIP INCREASE OVER LAST YEAR

Compared with the year 1930, fires in Washington Township for the current year appear to be greatly on the increase, according to recent reports received.

In Centerville, the department has already answered a total of eleven calls for the current year, while they only received a total of twenty calls altogether for the previous twelve months. They have received six calls during May alone.

In Niles, the department was called to extinguish blazes only seven times during the year 1930, and to date in 1931, they have answered six calls, almost as many in the first five months of the year, as the grand total for the preceding twelve months.

LIQUOR RAIDS ARE CONDUCTED ON TUESDAY

Sam Moneghetti, Chris Peterson Fall Afoul of Law for Bootlegging

Two liquor raids conducted by deputy sheriffs in Pleasanton Township on Tuesday afternoon resulted in two convictions and fines of $450 being assessed by Judge Charles A. Gale.

Sam Moneghetti, Vallecetos road, Sunol, was taken into custody by Deputy Sheriffs Hugo Radbruch and L. E. Van Patten and Constable A. E. Vervais when they found wine and beer on his premises. He entered a plea of guilty and was fined $300.

Chris Peterson, Pleasanton, was fined $150 for possession of whiskey and wine after he had been arrested by the same officers and pled guilty to possession.

S.A.C.A.L. Becomes Separate Unit For Athletic Contests

Six Teams Now Compose League of Smaller Schools

That the Southern Alameda County Athletic League will be a separate unit was the outcome of a meeting held by the board of managers of the group at Palo Alto last Saturday morning. R. O. Moyer, of Amador Valley High School, represented Pleasanton as a delegate to the session.

The Southern Alameda County Athletic League will schedule its own games in basketball, football and baseball. The league is composed of six schools: Washington Union High School; Hayward Union High School, Livermore High School; Emeryville High School; California School for the Deaf and Dumb; and Amador Valley High School.

Another matter acted upon by the delegates was that of discontinuing the practice of having the California Interscholastic Federation schedule palyoffs among winning teams.

In one hour they're coming to dinner
...my automatic electric range is doing the cooking now!

THAT'S THE ADVANTAGE of cooking food with an electric range—you do not have to spend hours in the kitchen watching the cooking.

You simply prepare the food, place it in the oven, and the rest of the afternoon is yours—for social engagements, shopping or any other activities. When you return home, the dinner is perfectly cooked—hot—and ready to serve.

Even when you have company for dinner, cooking is simple and easy. As a result, you look your best. You are at ease. Entertaining in *your* home is a pleasure.

The electric range of today has faster cooking elements—just as fast as you want them. Its white porcelain enamel will harmonize perfectly in your kitchen. As for cost of operation, 4c worth of electricity, on the average, cooks the dinner for four persons.

For clean, convenient cooking you should have an electric range. A small payment down will place the range of your choice in your kitchen, ready to use. Come into our office or a dealer's store and see the beautiful new electric ranges.

PASSING OF MISSION SAN JOSE GIRL IS MOURNED

Funeral services were held Tuesday morning for Miss Josephine Souza, 20, of Mission San Jose, who passed away Friday at the home of her parents after an illness of a year's duration.

Deceased had been a resident in Mission San Jose almost all her life, and graduated from the Mission Grammar school. She leaves to mourn her passing her parents, Mr. and Mrs. J. Souza; 2 brothers Louis and Melvin, and a sister, Mary.

Funeral services were held on Tuesday, when a High Mass was held at St. Joseph's Church, Mission San Jose, interment following in the parish cemetery. Her many friends and schoolmates will greatly miss her.

Mr. and Mrs. S. Anthony (nee Mary Costa) are now at home to their many friends at their residence on the Niles-Mission road.

AMADOR BOY IS AGAIN DECLARED CHAMP SPELLER ALAMEDA COUNTY

Amador High Student Will Enter State Contest In September

Wilbur Davis, student of Pleasanton High school, again demonstrated his ability as a champion speller when for the fourth time he won the county spelling bee in which practically every school in the county was represented.

As a result of the victory at Hayward, Davis, who is a sophomore at Amador Valley High School, will represent Alameda county in the state spelling contest to be held at Sacramento during the state fair in September.

Davis has won every county contest he has entered, and two years ago won the state championship for grammar school students. He is considered one of the best spellers in the state and was to have entered the national contest at Washington two years ago. This contest was discontinued, however, at that time.

The champion speller is the son of Police Chief and Mrs. Wm. T. Davis.

In the contest at Hayward last week the young man competed with the best spellers in all other high schools of the county. A student from the Hayward High School was Davis' strongest opponent. Each contestant was permitted three misspelled words before being dropped from the spelling bee.

Lions Anniversary Party On Tuesday Is Huge Success

Scores Attend Program In Honor of Club's First Birthday

Amid a riot of color from the brilliant hues of the ladies' spring gowns, and nature's own handiwork at the Castlewood Country club the Lions of Pleasanton celebrated the first anniversary of the club on Tuesday evening.

With such a setting the party could only be a success, and one which the Lions of Pleasanton may well feel proud to have sponsored. The celebration was staged in the main dining room of the country club with the party adjourning to the swimming pool after the dinner and talks, for the closing events of the evening.

The principal speakers of the evening were Byrl Babcock, of Sacramento, governor of District No. 4, Lions International; Will R. Hill, of Oakland; and Mrs. Albert E. Carter, wife of Congressman Carter.

Congressman Carter, who was to have delivered an address, was delayed in Los Angeles on business, according to a telegram received from him by President Jerome Arendt. Mrs. Carter was called upon for a few remarks. She responded with an interesting although short talk.

Hill entertained with a number of his own poems and was well received by the audience. He is well known to radio listeners, broadcasting over K L X.

The principal address of the evening was delivered by Babcock who took as his subject, "Humanizing Lionism." His talk was highly interesting and only praise for his remarks was given by the scores of listeners.

The entertainment was furnished by a mixed quartet of vocalists and instrumentalist from San Francisco. Their repetoire consisted of practically everything from grand opera to jazz. The audience joined in the singing of "Let Me Call You Sweetheart," and "My Gypsy Sweetheart."

The entertainers gave their numbers during the various intermissions at the dinner, and enlivened the party whenever there appeared to be a pause in the merriment. The credit for the entertainment must be given to Judge Charles A. Gale, Pleasanton, who made all arrangements.

After the dinner the party was invited to the pool for a swim by Lion Ralph E. Downs, manager of Castlewood Country club. The entertainers were brought to the pool where they played dance music for those who wished to dance, while the others swam.

TRAFFIC CASES ARE ATTENDED TO BY JUDGE GALE

Offenders Charged With Failing To Observe Stop Signs

Traffic offenders were assessed light fines of $2.50 in Charles A. Gale's justice court, Pleasanton Tuesday morning when they entered pleas of guilty to failing to stop at boulevard stops.

Those fined were E. Conley, D. Fazzler, and B. Ames.

Ames did not appear in court, entering his plea of guilty by letter. He was given one week in which to pay the fine.

FOOD COMBINATIONS

WARNING: Never eat any two of the following combinations at the same meal.

FRUIT—STARCH—SUGAR

FRUITS

Lemons, oranges, grape fruit, pineapple, plums, cherries, berries, apples, pears, peaches, grapes, (tomatoes and rhubarb).

UNSULPHURED: Figs, raisins, dates may be eaten with starch without harm.

STARCHES

Potatoes, yams, wheat, rye, rice, corn, oats, barley, chestnuts, hubbard squash, navy beans, dry lima beans, dry peas, bananas, bread, macaroni, etc.

NON-STARCHY VEGETABLES

Asparagus, raw beets, fresh green peas, artichokes, fresh beans, cauliflower, raw carrots, raw corn on the cob, summer squash, lettuce, raw cabbage, raw spinach, radishes, celery, egg plant.

SIXTEEN ELEMENT COCKTAIL

One glass of orange juice, with the raw yolk of one egg beaten in. This contains the sixteen elements the body requires and should be sufficient breakfast for a sedentary worker.

STIMULANTS

A stimulant will bring about a temporary increase of vital activity on the part of the body.

Alcoholic liquors, coffee, tea, cocoa and chocolate, beef tea, and tobacco are all stimulants and should not be used.

ALCOHOL: Is irritating and destructive to tissue, has a narcotic action and is habit forming.

COFFEE: Is the seed of the Coffea Arabica plant. One cup of coffee contains from 2 to 3 grains of caffeine, a very powerful stimulant. Coffee in itself contains no food value, and can be used only as a stimulant or to satisfy a craving.

TEA: Is prepared from the leaf of theine Thea sinensis Contains theine which has the same effect as caffeine. In addition to this it contains tannin, or tannic acid which is also detrimental to the body, since it has an astringent effect and lessons secretions and circulation of the digestive organs.

COCOA and CHOCOLATE: Come from the seeds of the tree Theobroma cocao. Contains theobromine, caffeine and tannic acid. Healthful substitutes can be used for coffee, tea, and cocoa.

BEEF TEA: Is made by extracting the water soluble components of meat. It is a stimulant, and is compared to tea in this respect. It stimulates the body without giving any thing to keep up the energy supply. It is largely waste products of the anifans body which would have been eliminated eventually by the way of the urine had the animal continued to live.

TOBACCO: The habit-forming principle of tobacco is nicotine, the most deadly of poisons. Causes catarrah of the throat, indigestion, constipation, nervousness, loss of memory, and in some cases color blindness. Tobacco, like alcohol, should not be used.

Twelve Persons Are Injured When Autos Collide On Sunday

William Frager and Party Are Wrecked South of Town

Twelve persons were cut and bruised in an auto wreck at the curve in the highway near the Arnaudon vineyard at 3 a. m. on Sunday morning according to Constable Albert E. Vervais, of Pleasanton, who was called to investigate.

Both cars were wrecked and a citation for reckless driving issued against one driver. According to Constable Vervais, the reckless driving charge was lodged against George Troy.

It was alleged that the car in which Troy, a companion and two women were riding, plowed into the machine of William Frager. Troy was said to have been operating the machine belonging to George Connley, of Oakland, a passenger in the car. The Frager machine was turned over and wrecked.

In the car with Troy and Connley were the Misses Dorothy Thompson and Katherine Dorris, both of Oakland. All suffered slight cuts and bruises.

In the Frager car were Mrs. Frances Frager, Miss Lillie Cabral, Mr. and Mrs. Manuel Silva, and three children, Blanche Cabral, seven, Floyd Kelly, nine, and Milton Silva, nine. All were cut and bruised about the face and body and were carried to Pleasanton for medical attention.

DIRIGIBLE BASE CONTRIBUTION IS VOTED BY COUNTY

F. V. Jones, president of the Niles Chamber of Commerce was an interested visitor at the meeting of the County Board of Supervisors held Tuesday morning, when the subject of an appropriation from Alameda county for the proposed new dirigible base at Sunnyvale was brought up for discussion. The supervisors voted to appropriate the sum of $25,000 from the advertising fund, to be paid over a period of three years, as a contribution from this county.

The sum of $470,000 is necessary before the unincumbered deed to the property can be turned over to the government, and in view of the strong bid being made by San Diego for the dirigible base, strong eforts are being made throughout the northern part of the State to raise the necessary money. The city of San Francisco has announced its intentions of raising $200,000, Santa Clara county will raise $100,000, and it is believed that San Mateo has volunteered to contribute $50,000. The option on the land expires on June 20, and from present indications, according to Mr. Jones, it is thought that the required amount will be raised.

Cigarette Fiend Almost Causes Car Loss

Carelessness of a cigarette smoker almost resulted in the total loss of an automobile parked in front of the Essanay Studio early Sunday morning. Somebody passing in an auto tossed a lighted cigarette into the parked car, owned by an Oakland salesman, and the cushion of the car caught fire.

The blaze was noticed by Calvert L. Bowles, of Oakland, late candidate for state senator, who was passing with a party of friends, and with the assistance of Norman H. Parks, publisher of the Township Register, and his fire extinguisher, total loss of the car was averted.

government hemmed in on all sides by sage brush and cactus.

Living a miserable existence themselves, we draw the conclusion that Nevada citizens conspire to make as many other people miserable as possible. So they open up their divorce mill, and believe us, it is not grist that comes from the mill, but the chaff of blighted lives, wrecked homes, and little children torn from the blood and flesh that begot them, denied in their adolescent period either the wonderful love of mother or the wise counsel of father.

Out of the mill no good can come, for whom God hath joined together let no man put asunder.
